PRACTICE WHAT YOU PLAN: Every household should have a fire escape plan, but practice is essential. There is no time to lose in a fire emergency. (FF-S1)

OCTOBER HEALTH EDUCATION AND WELLNESS PROGRAM—OVER-THE-COUNTER AND PRESCRIPTION DRUGS: Drugs are so common in our lives today, that sometimes we don't stop to think how often, and how casually, we take them. All medicines are double edged-swords. They can alleviate symptoms and in some cases cure disease. Hopefully, when you take a drug it will fulfill the primary function for which it was intended. Each of us has a unique way of responding to drugs, and reactions to a certain drug are not the same for everyone. It is important you take medications exactly as the doctor prescribed and not share them with anyone. October's packet will contain information on the many different kinds of medications, how your body metabolizes them, the side effects and drug interactions, generic vs. brand-name, what to ask your doctor and pharmacist about the drugs you are taking, the effects of some food on drugs, and how to keep your medicine chest safe. Packets will be available at all medical facilities and upon request to Carol Roth, BOC-005, 867-3414 or 867-2026. (JJ-C)

MAMMOGRAMS AT KSC: The Women's Center for Radiology will offer mammograms to women 35 years of age and older and for women younger than 35 with doctor's orders. The mammograms are offered on a "Low Dose Unit" by a certified technologist and are read by a Board Certified Radiologist. A video presentation of breast self-exam is included in the 30-minute procedure. Services will be available to NASA civil servants in conjunction with the Federal Employees Health Program (FEHP) physical exam. Services are available to all other employees at a charge of \$60, payable at the time of services by cash or check. Insurance forms will be provided upon request. The mobile unit will be located in the southwest corner of the KSC Headquarters parking lot. Appointments are required and may be obtained by calling 1-800-367-1870. (JJ)

ENERGY MANAGEMENT TRAINING: The Department of Energy will present a 4-hour teleworkshop on October 6, 1998, from noon to 4 p.m. Two new courses, "Impacts of Utility Restructuring on Power Procurement," and "Guidance on Choosing a Financing Option," will be available on Channel 23 Centerwide. Each session will be 2 hours long. For more information, contact Dave Koval at 867-1185 or email to Koval-1, David. Employees should request approval from their Supervisors. (HM-A-1)

FORMS CONTROL: Before you begin creation of a new or existing form, either a KSC form or other Agency form, consult the KSC Forms Control Office. All forms used at KSC must be approved by Forms Control **BEFORE** they are used. According to KMI 1420.1D, "Forms designed and used at KSC, including those by contractors, in the conduct of Government business will be centrally controlled and maintained by the KSC Forms Management Office to promote consistent quality, economy, and efficiency" as well as reducing redundancy. Forms Control presently handles over 3100 forms used at this Center. Many have been computer generated using various software common to KSC. Some forms may be similar to what you need, even if you think your application is unique. Forms Control personnel are proficient in applying your data collection information into the proper format to meet the required specifications. Contact your Forms Administrator or contact Forms Control at 867-3590, HQ, Room 1537 (across from the Post Office). (FF-S2-A)

SICK LEAVE AND FAMILY/FRIENDLY LEAVE - DOCTOR'S CERTIFICATE: Reminder to supervisors and employees: A doctor's certificate (SF-71), or an individual note signed by the physician, is normally required for sick leave absences of more than 3 days. Employees, supervisors, and timekeepers should be aware that time and attendance cards must be initialed in cases where a doctor's certificate is not required. (HM-A-3)

YEAR 2000 COMPUTING PROBLEM: For many computer and software systems, the year 2000 will bring problems related to software programs that record the year using only the last two digits. At the stroke of midnight on December 31, 1999, there is a very real chance many of the world's computers will assume the year just starting is 1900. Application software such as spreadsheets and databases which run on individual PCs should be checked to ensure they will process date information correctly. For information, call 861-2000. (FF-S2-A)

FEDERAL EMPLOYEES HEALTH BENEFITS EXTENSION OF COVERAGE: The Federal Employees Health Benefits Amendments Act (PL 100-654) has provided separated employees, certain dependent children, and former spouses the option of keeping their Federal Employees Health Benefits (FEHB) plan for specified periods of time. Under the provisions, employees who leave the Government, either voluntarily or involuntarily, are eligible to continue FEHB coverage for 18 months if (1) the employee was enrolled in the FEHB at time of separation and; (2) the employee was NOT fired because of "gross misconduct." This includes employees who retire and are not eligible to continue FEHB coverage as annuitants. Children who become age 22 and ex-spouses may continue coverage for up to 36 months, provided they had coverage under a Federal employee at the time of the event. These individuals have continuation of coverage for 31 days at no cost to them. However, within 60 days of the event, they must submit paperwork to continue their FEHB. For more information, please contact Jeri Huneycutt, (867-4786), or Kathy McIntosh (867-2504), Personnel Office Benefits Team, Headquarters Building, Room 1404. (HM-A-3)

EMAIL USERS: Email is an informal communication and is not to be used as the primary way to document official Agency business. Should official business be transacted using this system, hardcopy documents of the email messages must be produced along with transmission and receipt data, directories, and distribution lists. They must be filed, maintained, and disposed of in accordance with NPG 1441.1 (as revised), NASA Records Retention Schedule. After the hardcopy has been produced, messages may be deleted from the email system. For more information, see NASA Headquarters CIO Executive Notice 12-96, 2/20/96. (FF-S2-A)

KSC LIBRARY ARCHIVES: KMI 2240.1 (as revised) establishes the KSC Library Archives. Supervisors are responsible to make files available to the KSC Library Archivist and to notify the Library Archivist prior to retiring or destroying documents or other materials which may be of enduring historical value. Of particular historical importance may be photographs, audio recordings, minutes of meetings, letters, memorandums for record, policy letters, directives, studies, special reports, maps, biographies, organization charts, and statistical tables. For information, call 867-2407. (FF-S2-A)

TO ALL SUPERVISORS AND ALL EMPLOYEES REPRESENTED BY AFGE LOCAL 2498: New or revised NASA and KSC instructions which conflict with the Negotiated Agreement (Article VII) do not supersede the Agreement, unless they are required by law, Government-wide regulations, or any Agency rules or regulations for which a compelling need exists. Address questions to the Labor Management Relations Officer, HM-A-2, 867-3364, in advance of any proposed changes or publications. (HM-A-2)

ATTENTION ALL CIVIL SERVICE EMPLOYEES REPRESENTED BY AFGE LOCAL 2498: Employees represented by AFGE Local 2498 are advised of their right to union representation at any examination of them, in the unit, by a representative of the employer, in connection with an investigation if: (1) The employee reasonably believes that the examination may result in disciplinary action against the employee, and (2) the employee requests representation. This right is conferred by Section 7114 (a) (2) (B) and (3) of Chapter 71, Title 5, U.S.C., and is also contained in Article 4, Section 2, of the Negotiated Agreement. Under Article 5, Section 3, of the Agreement, the Union also has the right to be represented at any formal discussion between representatives of the employer and unit employees, or their representatives, concerning grievances, personnel policies or practices, or conditions of employment. (HM-A-3)

PEDESTRIAN SAFETY: Pedestrians crossing roadways on Kennedy Space Center are reminded to yield the right-of-way to all vehicles when crossing the roadway at a point not within a marked crosswalk. Motorists are reminded to yield the right-of-way to pedestrians crossing the roadway in a marked crosswalk when the pedestrian is on the half of the roadway the vehicle is traveling, or when the pedestrian is approaching so closely as to be in danger. (FF-S1)

SHUTTLE BUS CAUTION: Passengers exiting and crossing in front of Shuttle Buses are in danger of being struck by oncoming vehicles passing the stopped Shuttle Buses. Passengers are cautioned to be alert for oncoming traffic, and vehicle operators should use extreme caution when passing stopped Shuttle Buses and yield to pedestrians. (EI)

EMERGENCY MEDICAL ASSISTANCE: NASA has contracted with SOS International to provide emergency medical assistance for NASA Civil Service and contractor employees who are traveling overseas on official NASA business. The Occupational Health Facility (OHF) at KSC has information about this service for personnel traveling overseas. Those people traveling to the TAL sites in Spain and Africa will be provided this information by the GOMs prior to each trip. Before beginning your international travel, please contact the OHF to receive an SOS access card and access service guide. Appointments can be made at the OHF by calling 867-2025. (JJ-C)

DISCRIMINATION COMPLAINTS: Whenever a NASA KSC employee or applicant for employment believes they have been discriminated against based on race, color, religion, sex, national origin, age, or handicap, the employee **must contact an EEO Counselor within 45 calendar days** of the incident giving rise to the complaint. An informative Equal Employment Opportunity Program poster with counselors' identities and further complaint information is on all KSC Official Bulletin Boards. EEO Counselors are trained to inform you of your rights, answer your questions, and can do limited fact finding into your allegations. Counseling is a confidential process, and only the employee can authorize a counselor to discuss his or her issues with another party. For further information, contact the KSC EO Program Office at 867-2307. (AJ)
